***Making Quality Sharpening
Products, Knives, and
Multi-Tools since 1984***

At AccuSharp® (Fortune Products, Inc.), we take pride in crafting high-quality knife and tool sharpeners right here in the United States. For over 40 years, we've set the industry standard for performance, innovation, and craftsmanship. As a leading U.S. manufacturer, we specialize in creating the world's most effective knife and tool sharpeners, ensuring the sharpest edges for all your kitchen, workshop, and outdoor needs—from hunting to fishing.

Our award-winning products outperform competitors, often at a fraction of the cost. With AccuSharp®, you get precision, durability, and the reliability that comes from decades of American-made excellence. Simply put, we're here to provide the best sharpening solutions, while proudly supporting U.S. manufacturing.

SHARPENERS

AccuSharp® Knife and Tool Sharpener (001C)

Finally a knife sharpener anyone can use. Easily sharpen knives (even serrated knives), cleavers, axes, machetes, and many other cutting tools within seconds. The large, ergonomic handle fits either hand comfortably and features a full-length finger guard to safely protect your fingers while using. The reversible sharpening blades are made of diamond-honed tungsten carbide and provide years of reliable use. The original AccuSharp® blaze-orange, olive drab green, and camouflage. Replacement blades are sold separately.
