Making Quality Sharpening Products, Knives and Multi-Tools since 1984

Fortune Products, Inc., dba AccuSharp Int'l, is a leading manufacturer of sharpeners, knives, and multi-tools, and a provider of quality products. We focus on making the most effective knife and tool sharpeners in the world. Every effort goes into creating products that will provide the sharpest edge possible for your knives, tools, and equipment. Whether your sharpening needs range from the kitchen, workshop, yard, hunting, fishing, or other outdoor activities, our sharpening products can help you maintain the very best edge. We are proud of the many awards we've won for product effectiveness, even when compared to brands costing hundreds more.

AccuSharp® Knife and Tool Sharpener

Finally, a knife sharpener anyone can use. Easily sharpen knives (even serrated knives), cleavers, axes, machetes, and many other cutting tools in just seconds. The large, ergonomic handle fits either hand comfortably and features a full-length finger guard to safely protect your fingers while using. The reversible sharpening blades are made of diamond-honed tungsten carbide and provide years of reliable use. The original AccuSharp® comes in white, brushed aluminum, blaze-orange, olive drab green, and camouflage. Replacement blades are sold separately.

AccuSharp® Electric Knife Sharpener

This motorized knife sharpener is an essential tool for both professional chefs and home cooks. It offers superior sharpening power and a smooth, consistent edge with its preset 21° angle. This electric knife sharpener includes an 800-grit diamond-coated disc, a 400-grit synthetic disc, and 6000-grit ceramic finishing rods. Rubber suction feet keep the sharpener firmly in place while you work, ensuring stability and safety.

(135C)

AccuSharp® Electric Cordless Knife Sharpener

This cordless electric knife sharpener is a must-have for both professional chefs and home cooks. It features a smooth, consistent sharpening motion with a precise 21° angle. Lightweight and user-friendly, it includes an ergonomic handle, a durable 400-grit diamond-coated disc, and rubber suction feet to keep it stable and secure during use. This combination ensures both safety and efficiency in maintaining your knives.

(136C)

AccuSharp® 4–Stone Rolling Knife Sharpener

The 4–Stone Rolling Knife Sharpener features dual sharpening stones that quickly restore dull blades and eliminate burrs. Its user-friendly design includes a detachable magnetic knife base that accommodates various blade heights and can store extra sharpening stones. With four pre-set sharpening angles (15°, 17°, 20°, and 25°), it's ideal for both everyday kitchen knives and specialty blades.

AccuSharp® 2–Stone Rolling Knife Sharpener

Restore dull knives in seconds at home. Featuring preset magnetic angle guides and dual-sided coarse and fine sharpening discs, this easy-to-use rolling sharpener delivers consistent, razor-sharp edges with no experience required. The detachable magnetic base supports multiple sharpening angles (15°, 17°, 20°, and 25°) for kitchen, chef, santoku, and utility knives, while the compact design stores easily in any drawer.

AccuSharp® 3.5" Replaceable Blade Razor Knife

A great knife for camping, hiking, and everyday carry. This knife includes 2 extra replacement blades that allow you to quickly change out your dull blade within seconds using the innovative quick-release lever. The push-button on the side allows you to lock your blade into three locking positions (110°, 145°, 180°). Measuring 8.5" when opened, the Replaceable Blade Razor Knife is made with a 3.5" 420 stainless steel blade and an ergonomically designed handle for ease of use.
